

Field Trip to [Mystic Seaport](#)

Saturday, June 7, 2008

Trip Leader: Chris Moore

I'm planning to leave Saturday morning, June 7, no later than 8:00. It's about a two hour drive so I'd like everyone to meet there at the main information and admission desk no later than 10:30.

The plan is to spend the day there and then finish up by having dinner at Mystic Pizza which is about a mile away in the town of Mystic.

Depending on how long we stay at the Seaport and how much we enjoy dinner, most people should be home by about 11:00 or 12:00PM. If they choose to, there are several motels in the area and people could stay the night and return home on Sunday.

Given the high price of gasoline some of those who plan to go may want to consider car-pooling.

There is food available for purchase at the Seaport but people may want to bring picnic lunches.

Tripods are not allowed and flash can not be used inside the buildings.

The Seaport has staff photographers but might still be interested in seeing/exhibiting? some of our work??

Normally the admission is \$18.50 but if we can guarantee 10 or more guests to the Seaport the price would be reduced to \$15.00 each.

Hopefully this trip will prove to be a wonderful experience for all who choose to participate.
