You'll be the grandest lady in the Easter parade."

This year's WPS NYC Easter Parade field trip will allow WPS members to gather together at a dedicated meeting point and photograph the festivities, people, hats, and interactions among the parade participants and between participants and NYC. While you're there, don't forget the photo opportunities around and inside St. Patrick's Cathedral (yes, photography is allowed inside if Mass is not taking place) and Rockefeller Center.

The NYC Easter Parade is simply a gathering of people dressed up in their Easter finest strolling along Fifth Avenue between 49<sup>th</sup> and 57<sup>th</sup> streets in Manhattan. In addition to the strollers in their colorful Easter bonnets, you can also expect to find music, animals, clowns, street vendors, and parade watchers. For those who like "people watching" and urban street photography, this parade provides a wonderful venue. The parade kicks off at 10:00 am.

The WPS group will meet at the northern corner of St. Patrick's Cathedral (5<sup>th</sup> Ave and 51<sup>st</sup> Street) at 10:30 am. Stay as long as you like.

Mano Orel is our tentative group leader. Please contact Warren Rosenberg, Field Trip Coordinator by Wednesday evening and let us know if you plan on attending. Send a note to [wrosenberg@iona.edu](mailto:wrosenberg@iona.edu) if you plan on attending.
