Print Marking Guide

1. Prints must be mounted on a rigid support.
2. Prints may or may not be matted.
3. Prints may not be framed.
4. No writing may appear on the front side of the mounted print.
5. A completed print label must be securely attached with tape to the upper left corner on the back side of the mounted print.
6. On the label (see example at top left), check the appropriate circle for the type of print and the group level; enter the competition number, the date of the competition, the title of the print and the maker's name.
7. The minimum size for a photograph (not the mount size) is 5 x 7 inches.
8. The maximum size for the mounted print (not the photograph size) is 20 inches high by 48 inches long.
9. Mats and photographs must be securely attached to the mount board so that they do not separate during the competition.
10. A page of four print labels may be obtained for downloading or printing from our website: <http://WPhSphoto.org/PrintLabel.jpg> or from the competition chairman at any meeting.
11. A complete set of the Competition Rules may be downloaded or printed from our website at <http://WPSphoto.org/Rules1.htm>.
