Friday February 10, 2023 7:30 PM

Using Off Camera Flash

In this workshop, Chris will cover the basics of how to use off-camera flash including balancing flash with ambient light, where to put your light, and Chris' go-to light shaping tools. The program will include a number of behind-the-scenes stories of how he lights his photographs. Examples will cover weddings, high school seniors, fitness, families, and more. No matter the genre you shoot, whether you're new to off-camera flash or have used it for years, you're sure to learn something new!

Biography

Chris Keeley, CPP is a wedding & portrait photographer based in Dover, New Hampshire. Chris began photographing weddings and portraits with natural light but quickly found he was limited by time of day, so he soon fell in love with the freedom and power of off-camera flash. His work is characterized by cinematic lighting that is both imperceptible and dramatic.

Westchester Photographic Society is proud to invite the public to see Chris Keeley on February 10, 2023, 7:30 PM. To Register email Meetings@wpsphoto.org
