

2020 NECCC information
July 17-19, 2020

WPS has traditionally had a large contingent attending. If you've never been, read Dennis' article from last year's delightful event: https://4d028207-c28b-4576-a997-cad089ba64c0.filesusr.com/ugd/a1e134_ec4d38417d104ee8923bb580ea29c8d1.pdf

The cut off date for receiving applications is **May 15, 2020** so please hand in your application to Jim Dwyer by that date...they will be mailed out May 16, 2020. *Couples must submit individual applications, sorry...NECCC rules.*

Everyone interested is strongly urged to read the information on the conference: <http://necccphotoconference.org> This year's website is quite user friendly!

Anyone who comes on the group rate and would like to register for one of the pre-conference workshops *should register for that workshop DIRECTLY and soon. Do not include that request on the application form.* That way no one will be closed out of a workshop due to the later arrival of their application.

<http://necccphotoconference.org/sessions/#pre-conference-workshops>

Special photo events that require registration can/should be preregistered as well. *Please double check any you are interested to determine if you can preregister now or need to wait until your application has been received.*

Important notes: please review for information on housing, meals, and other basic conference information: <http://necccphotoconference.org/necccregister/>

Housing and meal plan information: AC housing requests are best made ASAP to assure their being accepted. At the prompt, indicate you will be submitting a group application for the 3 day conference.

Non-AC housing does not close out so you do not need to be preregistered, just fill out that line on the application form.

Registration: If you did not get an application, you can download a PDF: copy the entire link: <http://necccphotoconference.org/wp-content/uploads/2020/02/2020-NECCC-Photo-Conference---Print-Registration-and-Flyer.pdf>

Conference notes are available for free online at

<http://necccphotoconference.org/speakers-notes/> and for \$28.75 on registration form.

Non-AC housing does not close out so you do not need to be preregistered, just fill out that line on the application form.

WPS sends out the group applications in a bulk mailing. Everyone who preregisters for a pre- conference workshop and/or AC housing's application will automatically be combined with the group rate when NECCC receives it. At the registration table at the conference, the registrant's packet will include his/her general registration, pre-conference workshop and/or AC dorm assignment, if requested and paid for.

Please do not hesitate to contact Deborah or Jim with any questions.

Ask anyone who has been there in the past why they (we) return every year!
