

**A MESSAGE FROM YOUR
FRIENDLY COMPETITION DIRECTOR**

I have several items for the membership to consider:

1: On November 9^h we are having another **SHOW US WHAT YOU'VE GOT evening**. Submit **up to 5 jpegs**, prepared as you would for a competition. You can talk for **up to 5 minutes, total**, about the images. **DEADLINE FOR SUBMISSION: Wednesday Night, November 7th**. **When you submit the files to the Photo Contest Pro website make sure that the field indicating TITLE has the following format: LASTNAME-1ST INITIAL-ORDER NUMBER-PictureName**. Order number will be 1-5, so that when they are projected the sequence will be that of your choosing.

THIS IS NOT A COMPETITION, NOR A CRITIQUE! It is just a way for you to show the members what you are interested in!
