Why Black and White?

In about 75 minutes, Cole Thompson will make the case that black and white is the perfect medium for any subject...except for one. Cole will show work from his various portfolios including:

The Ghosts of Auschwitz-Birkenau, Harbinger, Ceiling Lamps, Moai, Sitting for Portrait, The Lone Man, Negative Intersections, And others

Interspersed between the images Cole will share his photographic philosophies, such as:

Never listen to others, Photographic Celibacy, Coles Rule of Thirds, Equipment is overrated, Vision is the most important tool in my toolbox, and many others.

Biography

Cole Thompson is uniquely unqualified to speak on photography.

“I’ve never taken a photography class or a workshop. I don’t have a degree in art. I’ve never worked as a photographer. I don’t have gallery representation. I’m not a Canon Explorer of Light. And I only have three lenses and none of them are primes.

Do I have any qualifications?

Just one...my images. Nothing else matters.”

Westchester Photographic Society is proud to invite the public to see Cole Thompson on February 17, 2023, 7:30 PM. To Register email Meetings@wpsphoto.org
