

**2022 NECCC 75<sup>th</sup> Anniversary**  
**July 15-17, 2022**

NECCC has announced that the 75<sup>th</sup> Anniversary of their annual conference will be their last in-person conference making this an historic moment for photographers.

WPS has traditionally had a large contingent attending. If you've never been, read Dennis' article in April, 2022 inFocus to understand why so many of us have made this an annual experience. Check out the NECCC website for further information: <https://necccphotoconference.org> Pre-conference Workshops, Programs, Demo & Interactive, Speakers, Photo Walks, Models, Extras, Competitions, Trade Show and Event info, Registration and On-Campus housing information is readily available. The great meeting for first timers will be held Friday morning and is highly recommended.

However, a crucial change this year is that no group discounts are offered so that each individual registrant can provide proof of their vaccinations. As always, each registrant must register separately.

Registration opens April 13, 2022. Details, *including the online registration form*, can be found here: <https://necccphotoconference.org/necccregister/>

Deborah has arranged for a group of rooms at Econolodge.
